### Architectural Systems Inc.

[archsystems.com](http://archsystems.com)

Inspired by the patterns found in natural, quarried stone, **GlamStone Acrylics** are scratch-resistant and 100-percent PVC-free. They can also be backlit and applied to walls, doors, elevator interiors and architectural millwork.

### Flavor Paper

[flavorpaper.com](http://flavorpaper.com)

After a month-long trip to South Africa, Ghislaine Viñas was inspired to modernize classic banana and palm leaf patterns with **Wild Thing**, a lush, photorealistic mural with a non-repeating pattern available in four standard color combinations.

### Chemetal

[chemetal.com](http://chemetal.com)

As seen here in a custom installation, **Brushed Copper Aluminum** provides a luxurious backdrop in the Johnnie Walker whiskey boutique in New Zealand's Auckland Airport. The durable anodized aluminum is available in various colors and sizes.
