Buyers' Guide 2006

on the cover

(Left to right beginning with top left row):

Architectural Systems Inc. showcases the beauty of textured white surfaces.

Livia, from Andromeda International's DesignAlive Collection, is a lighting fixture with organic stems of clear Venetian crystal.

The Mamma chair by Patrick Messier is constructed of molded fibreglass.

This display unit from Gilbert Store Fixtures Ltd. is made of metal, wood, Plexiglas and wire.

Il By IV Design Associates Inc. designed this sophisticated backdrop for the Mill store in Toronto. Photo: David Whittaker, Toronto

The Sensitivity series from Darrol Mannequins features graceful, feminine poses.

This freestanding light box from Lawrence Metal Products Inc. is suspended by cables in a metal frame.

Lonseal's Lonbead vinyl flooring has a textured, pearl-like appearance.

The Playboy store in Las Vegas features a creative T-shirt display. Photo: Eric Loignon, New York
