Founded in 1990 by Nancy Jackson, President and Ron Jackson, CEO, Architectural Systems, Inc. has been known from the start for its fresh, innovative solutions for commercial interiors. Over the past 20 years, Nancy and Ron Jackson have built Architectural Systems, Inc. into an international distribution and marketing company for architectural and sustainable materials through their extensive product expertise, professionalism and commitment to quality and service. Consultants, design advocates and material experts, Nancy and Ron Jackson source, develop and supply products for exceptional retail, hospitality, entertainment, corporate, healthcare, education, and institutional projects around the world. Long-term clients include world-famous brands Macy's, Saks Fifth Avenue, Payless, and West Marine; and leading architectural firms Callison, Gensler, Wilson Associates, and HBA/Hirsch Bedner Associates.

Nancy and Ron Jackson are involved in a broad range of design education initiatives, serving on the board of the International Interior Design Association (IIDA), the Planning and Visual Education Partnership (PAVE), as an Affiliate Member of AIA New York Chapter and a registered AIA Continuing Education Passport Provider. Architectural Systems is a member of the Network of Executive Women in Hospitality (NEWH), the Retail Design Institute (RDI), the Association for Retail Environments (A.R.E.), the National Wood Flooring Association (NWFA), American Society of Interior Designers (ASID) Industry Partners, and Council of Fashion Designers of America (CFDA) Partnership Perks. As part of their commitment to the environment, they are also a member of the U.S. Green Building Council (USGBC), and proudly affiliated with the Forest Stewardship Council (FSC) and American Forests Global ReLeaf campaign.

In addition to the projects featuring ASI products that consistently garner industry awards, the company has won top honors in its own right, including:

- o GlobalShop Best New Product Awards 2009, 2008, 2007, 2006, 2004, 2003, 2002
