# flooring

## LSI Floors | [www.lsfloors.com](http://www.lsfloors.com)

To marry seamlessly with carpet tile, LSI now offers all of its vinyl tile and plank patterns in a 3-mm format. Apply these patterns to areas that join with carpet tiles or raised access flooring.

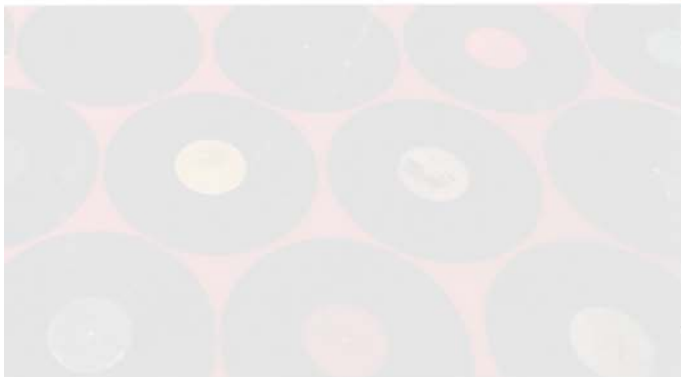

## Amtico Intl. | [www.amtico.com](http://www.amtico.com)

Shibori provides limitless design layout options, thanks to three shades, 10 plank sizes (including four end-to-end options) and three tile sizes. Made with 100 percent recycled backing layer.

## Architectural Systems Inc. | [www.archsystems.com](http://www.archsystems.com)

The global-inspired patterns of ASI Magnetic Floor System are made from vinyl planks and tiles that cleverly simulate wood grains, natural stone and carpet tiles.

## Liquid Elements, a division of Stonhard | [www.stonhard.com](http://www.stonhard.com)

Capture lets you encapsulate irreplaceable objects in a thick, rich resin. Objects such as record albums, photos and sea shells can be safely secured in a resilient, scratch-resistant and easy-to-clean floor.

# materials + wallcoverings

**DVUV** | [www.dvuv.com](http://www.dvuv.com)  
 UVMax Solid Surface (shown in Lavastone) is finished with a UV-cured powdercoating with zero VOCs. Plus, it uses MDF that contains 100 percent pre-consumer recycled content.

**Advanced Technology Inc.** | [www.advancedtechnology.com](http://www.advancedtechnology.com)  
 LuxCore is a new translucent panel imaged with the company's FusionTech process. Available in endless combinations of designs and colors, including custom options.

**Architectural Systems Inc.** | [www.archsystems.com](http://www.archsystems.com)  
 Made from pressed bamboo pulp, Eco-Dimensions Bamboo Wall Panels add a 3-D splash to any space. These lightweight panels are available unfinished in six intricate patterns, which can be painted or stained.

**MACTac Graphic Products** | [www.mactac.com/graphics](http://www.mactac.com/graphics)  
 Impagin DecoArt Deco Satin Intrinsic, pressure-sensitive, topcoated fabric media produce vibrant wall graphics, wall murals and custom wall coverings. Designed for wide-format printing, the products can be customized and are coated with a clear repositionable adhesive.
