NEW YORK, NY (January 25, 2017)- Architectural Systems, Inc. (ASI) a leading global distributor of interior finishes introduces **GlamStone Acrylics**, part of Ornamental Surfaces. The new natural inspired patterns can be back-lit to capture a modern interpretation of quarried stone. These scratch-resistant, 100% PVC-free, PMMA acrylics are recyclable and non-toxic and can be applied to walls, doors, elevator interiors and architectural mill work for a high impact and cost effective design statement.

About Architectural Systems, Inc.

A leading international distributor of architectural and sustainable materials, ASI's distinctive collections offer fresh, innovative solutions for commercial interiors and are streamlined into five categories: ASI Wood Panels, ASI Flooring, ASI Decorative Surfaces, ASI Specialty Products and ASI Display & Furniture. Celebrating over 25 years of Creativity and Collaboration(SM), the company's products are confidently specified by the foremost architecture and design firms and installed globally in hospitality, retail, corporate, education, healthcare and institutional projects.
