Berman Permalight Inc.
 bpermalight.com
 Solution to bumps and bruises
 on walls and new paint
White Safety Padding.
 An adhesive along walls and
 surfaces, the 2.9-in.-wide,
 black polyurethane foam
 bounces back from impact.

Interior Arts
 chemetal.com

This company's **Cracked Cement**
 laminate collection features
 industrial-like textures in gray hues
 reminiscent of hardened cement.
 The high-pressure, 4-by-6-ft.
 laminates fit furniture, casegoods
 and shelving needs.

Forms + Surfaces

forms-surfaces.com

Each design of the 12
 versions available for the
BermanGlass Levels Kiln
 Cast Glass collection pairs
 artisanal glass textures
 with colorful or graphic
 interlayers to reflect and
 refract the light captured on
 its surfaces.

Architectural Systems Inc.

archsystems.com

With an industrial look, **Swick Natural Wall Coverings** are
 lightweight, flexible veneers made of a two-part polymer-
 mineral powder system fixed to a fiber-weave backing.
 Handmade, these surfacing materials easily install onto
 curved or straight walls.

Architectural Systems Inc.
archsystems.com

Complete the hardwood look with the durable, skid resistant **Imperial Wood Grain Porcelain**. Available in 6-in. and 9-in. planks in honed and textured finishes.

Pioneer Millworks

pioneermillworks.com

Salvaged from old factories and warehouses, **Painted and Sanded Foundry Maple** flooring is painted and then sanded so the color remains in the floor's original distress marks. Available in custom colors and in limited quantities.

New Ravenna

newravenna.com

The Jardins Français collection features five motifs inspired by the formal gardens of France. Handcrafted from combinations of natural stone, brass, aluminum, glass and shell.

Parterre

parterreflooring.com

In a palette ranging from gray tones to more expressive hues, the eight colors of **Tela Luxury Vinyl Tile** have the appearance of woven texture suitable as an accent to any interior. Available in standard 18-by-36-in. by 3-mm. tiles.

Tarkett

tarkettna.com

Inspired by textures found in nature, the **More Than Wood** digitally printed collection combines the look of wood with the durability of LVT. Available in Amalgamate, Circa, Heartwood, Yakisugi and other options.
