**Sculptured™ Collection** is now meeting the demand for sustainable products by offering E1 and CARB (California Air Resources Board) compliant panels with no added urea-formaldehyde. The ultra-textured MDF panels come already primed all boldly incised for dramatic impact as a strong signature statement in any environment. Following responsible manufacturing practices, the collection is packaged in 100% recycled cardboard. Please note that variations in color and texture may occur due to the nature of the material.
